FUN FACTS ABOUT MERMAIDS

Mermaids are mythological creatures that are usually part human and part fish. Mermaids have been around for a long time and are a part of many legends and stories. Some people believe they are real, while others think they are just fantasy.

Mermaids are famous for their singing voices, which are said to be very enchanting. They can swim underwater, they come to the surface to breathe air.

The word mermaid comes from two words: the old English word mere, meaning sea, and the word maid, meaning women. When you combine the two words, it becomes the word mermaid. The word mermaid means sea woman. A male mermaid is called a merman.
