Welcome to the Swim & Save E-zine

STA Launches New Swimming Academy in Rochdale
The new Link4Life Swim Academy, headed up by STA’s Louise Raines, was officially launched last month by The Mayor and Mayoress of Rochdale. Read all about STA’s new Swim Academy here.

New 16 Point Water Safety Guidelines
STA has adopted the International Open Water Safety Guidelines, which were presented at the Drowning Conference in Vietnam last year by the International Task Force. The guidelines focus on 16 key messages for water safety, and are split into ‘Care of Self’ and ‘Care of Others’. Read more

STA Re-Launches Synchro
STA has re-launched its synchronised swimming teaching programme this month to incorporate a fresh new curriculum for beginners. This follows the surge of interest that has been generated for the sport, following the recent success of STA’s Zoe Cooper of Aquabatique, on Britain’s’ Got Talent. Dive in here.

STA Working Overseas
STA’s Robbie Phillips recently ran a Pool Plant Operators course in Dubai for the Intercontinental Hotel Group. “The students, all staff from the hotel group’s Middle East sites, were all very receptive to the course and fully embraced STA’s manual,” said Robbie. “And, they will most certainly adopt our Pool Plant Programme on STAadmin.co.uk for their pools and spas.”

Celia Scott, STA Tutor has been in popular demand tutoring STA Aquacise instructor courses in Doha, Qatar since qualifying as a Tutor with Alan North last August. Pictured here are the candidates from Celia’s last course.

Saving Lives in Cameroon
Following the success of the International Standards Swimming Teachers Course that was held in Cameroon earlier this year, the qualified teachers are now delivering vital lifesaving training. The swimming teaching course organised by RLSS Cameroon
