#### **Unit Structure**

This qualification consists of 2 mandatory units

Unit Title	Code	Credit Value	Unit Level	GLH
Emergency Paediatric First Aid	Y/615/5506	1	3	6
Managing Paediatric Illness, Injuries and Emergencies	D/615/5507	1	3	6

#### **Total Qualification Time**

16 Hours

#### Introduction:

The Paediatric course aims to give learners the necessary skills and knowledge to deal with a range of emergencies involving children.

## **Qualification Objective:**

The Paediatric First Aid Award Aims to enable learners who work or intend to work in a childcare setting, with the skills, knowledge, understanding and ability to deal with emergency situations.

The range of skills covered includes first aid and resuscitation procedures for child and infant casualties. Learners will be able to recognise and manage childhood medical conditions, as well as being able to provide emergency treatment until the arrival of the emergency medical services

## **Target Learners**

For those who are currently employed, or who wish to be employed in a childcare setting. Including nursery nurses, pre-school teachers, teaching assistants and student teachers.

## **Progression**

Upon successful completion of this qualification learners may wish to pass on the knowledge and skills they have acquired through training as a first aid tutor/assessor.

## **Industry Standards**

Stationary framework for the Early Years Foundation Stage (EYFS)
First Aid Awarding Organisation Forum
Terms of Reference and Assessment Principles
Resuscitation Council Guidelines 2015

## **Entry Requirements**

Learners must be 16 years of age or above on the first day of the course.

## **Grading Format**

Pass / Fail

#### **Assessment Methods**

This qualification is tutor assessed through the completion of worksheets and practical demonstrations.

## **Tutor / Assessor Requirements**

All Tutors must have the skills, knowledge and experience to be able to teach and demonstrate the subject.

Each Tutor must be approved by Safety Training Awards and provide evidence of:

- 1. A relevant vocational first aid qualification and/or experience as shown in Appendix 1
- A formal tutoring and assessing qualification as shown in Appendix 2
  Tutors must maintain their technical competence within the subject
  area and provide evidence of continuing professional development
  (CPD).

## **IQA Requirements**

Internal Quality Assurers (IQAs) of this qualification must have knowledge and competency in first aid as well as knowledge and competency in internal quality assurance.

An IQA must hold:

- A relevant vocational first aid qualification and/or experience as shown in Appendix 1
- 2. Internal quality assurance qualification as shown in Appendix 3

Note: IQAs cannot quality assure a course for which they were the Tutor and/or Assessor.

#### **Resource Requirements**

#### Venue:
